Subscription Agreement

I (we) hereby subscribe to purchase, at a price of one hundred dollars (\$100.00) per share, four (4) share(s) (not more than twenty) of a cooperative corporation to be organized under Oregon law which is proposed to be called Medford Market. I (we) agree to pay either the full amount of the subscription price with this agreement or at least half of the subscription price with this agreement and to pay the remaining balance within 45 days.

This subscription is solicited by the Steering Committee as the organizing body on behalf of the Medford Market under the sponsorship of the West Medford Community Coalition, a nonprofit corporation under Oregon law. Subscription proceeds are intended to be used for expenses and capital outlays of organizing, promoting and developing a proposed retail food cooperative. I (we) represent that my (our) purpose in executing this subscription agreement is to support this effort and to facilitate access to the consumer goods and services to be provided by the Medford Market. **You may purchase shares as either a single subscriber or as joint subscribers (spouses or partners).**

I (we) understand that the share(s) hereby subscribed for will be nontransferable, will be entitled to no dividends, and cannot be redeemed for more than their issuing price. I (we) further understand that shares subscribed in excess of one will confer no additional voting rights in the Medford Market, and all shares will be subject to terms and conditions in the articles of incorporation and bylaws of the Medford Market.

Subscription proceeds, net of amounts expended, will be transferred to the Medford Market after it becomes incorporated for credit of the full subscription amount in the name(s) of subscriber(s) to be applied towards membership only, and not redeemable for goods or services provided by the Medford Market. In the event that the Medford Market fails to be organized, subscription proceeds, net of amounts expended, will be returned to subscriber(s). I (we) understand that this subscription is subject to risks inherent in a start-up enterprise of this character, that it may result in the loss of all or part of the subscription proceeds, and I (we) represent that I (we) can afford to incur such a loss.
